Attachments: RF 5YR CDPHE comments May 2017 w PGS markup.pdf

Carl and Lindsay – we reviewed CDPHE’s comments. There are some comments we don’t agree with. Please take a look at this markup at your earliest convenience, and consider those comments marked as “disagree” – although it shows Pat’s name as the commenter, it represents EPA’s consolidated position. Let’s talk as soon as you have a chance to look at these – thanks - Vera
